Fall Catalog

E. B. Drake Alpine Gardens

Lakebay, Washington

Introductory

To my customers and friends: I welcome this opportunity thank you for the encouragement you have given me in my effort to furnish quality plants at a price within the reach of all.

If you are a new customer, I invite you to compare my plants with those sent out by any other firm, regardless of price—they are carefully packed, labeled true to name and sent postpaid to any place in the United States.

May I remind you that Fall is the best time to plant most perennials, especially the early blooming rockery plants?

Most of the plants in my Spring list will be available this Fall.

Lengthy descriptions are not given, as most people have access to descriptions, or know the plants, and a lengthy discussion of each item would mean a higher.

Make all remittances payable to, E. B. DRAKE, Lakebay, Wash.

German Iris

The following varieties, listed by name only, are all standard sorts, but are old, familiar kinds.

For garden use they are unexcelled, and many of them cannot be surpassed by the newer, more expensive varieties.

Their price is 10 cents each or any three for 25 cents or twenty for \$1.00, your own selection.

ALCAZAR	AMAS	AMBASSADEUR
ARNOLS	ASTARTE	AUREA
BELLADONNA	BERCHTA	BLACK PRINCE
